

Coin Counter

What You Need

- Play coins (quarters, dimes, nickels)
- Container
- Coin Counter Spinner
- Pencil and paper clip

How to Play

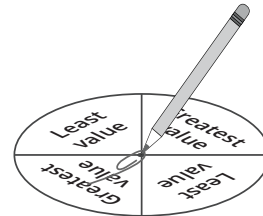

- Play with a partner or in a small group.
- Each player takes a handful of coins and determines their value.
- One player spins the spinner.
 - If the spinner lands on "Least value," the player with the lowest value of coins scores 1 point.
 - If the spinner lands on "Greatest value," the player with the highest value of coins scores 1 point.
- Continue to play for 5 rounds. The player with the most points wins.

Another Way to Play

- Players all take the same number of coins from the container each time.

Example

Naomi spins the spinner:

Naomi's coins:

The value of Naomi's coins is 160¢.

Kim's coins:

The value of Kim's coins is 165¢.

Adi's coins:

The value of Adi's coins is 150¢.

Kim's coins have the greatest value. She scores 1 point.
